Flight of the Gibbon, Angkor Zipline Canopy Tour

Come and experience the highlight of your trip with Cambodia's only Zipline Tour located inside Angkor Archaeological Park and fly alongside the mysterious temples of Angkor, with a real chance of sighting with Gibbons. Sample beauty, magic and adventure inside Angkor Park, the jewel of Asia's cultural heritage; we know you will have an unforgettable day, soaring through the jungle enjoying the same spectacular views as its highest inhabitants!

High in the treetops of Cambodia's Angkor Park, you will glide through the jungle canopy via a range of thrilling zipline wires woven into the Cambodia jungle eco-system. The course offers 21 different platform stations, 4 hanging sky bridges and a rappel descent. We are proud to showcase Angkor Park from the higher perspective via a flying journey through nature like no other on the planet!

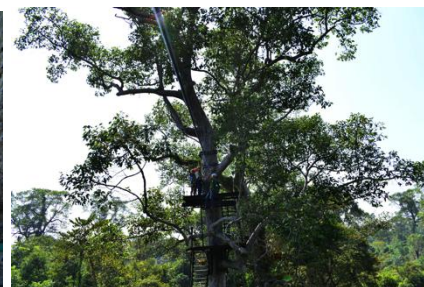

Education about wildlife and vegetation is provided along the journey. Our commitment to responsible eco-tourism ensures that part of your money goes to restoring the flora, fauna and wildlife of this spectacular rainforest and we are committed to giving back to Mother Nature.

Along with the main Zipline program we include a free nature trail walk, plus an authentic Khmer meal sourced from local produce and complimentary water.

The zipline are built to conform to International safety standards and our safety record during nine years of operation speaks for itself. Two experienced, qualified Sky Ranger guides are provided for every nine Flyers and a detailed safety briefing is given before starting.

Whilst certainly an adrenaline pumping experience, it's a family friendly activity almost anybody can enjoy. You don't need a high degree of physical fitness, just a positive attitude, so what are you waiting for, come fly with us!
