Phnom Penh's Past & Present (Full Day Tour)

Pick up from your hotel at 8:00am and we drive to visit to the **Royal Palace compound** build in 1866 by the Predecessors of King Norodom, is the most conspicuous feature and also one of impressive colorful Khmer-style Palaces. Nearside the Royal Palace is **Silver Pagoda** (The Emerald Buddha temple), display plenty of Buddha Statues that were decorated and made by diamond, emerald, gold and silver, continuing visit to National Museum, the distinctive red building with a beautiful Khmer architecture was build since 1917 and contains more than 5000 art objects made of sandstone, bronze, silver, copper, wood and others. Travelers will proceed to visit **Independence Monument**, which was constructed in 1954 after Cambodian took their country back from French colony.

This afternoon, we will learn about the dark side of Cambodia – Its more recent turbulent and harrowing history. Initially you visit the **Toul Sleng Genocide Museum** (also known as S21), ironically a former school, located in a quiet Phnom Penh suburb, this was the infamous Khmer Rouge prison / torture centre. We enjoy our **cyclo ride** along the riverside. This laidback tour gives us a different perspective of the streets and sights of the city. We will enjoy a **cruise** for view sunset on the **Mekong and Tonle Sap River (1 hour)**. Situated at the "Four Arms" where the Mekong meets the Tonle Sap River before splitting into tow branches, Phnom Penh offers the ideal location to discover the mighty Mekong. Board a nicely restored wooden boat for a day cruise, enjoy the unspoiled landscapes along each bank and visit the traditional villages with their old pagodas on the islands.
