Tonle Sap Lake & Siem Reap City Tours (Tour with Lunch)

After meeting our tour guide, then we drive to **Tonle Sap Lake**, we will visit **Floating Villages**, located 10 kilometers south of Siem Reap! Take a ride in a traditional wooden boat on the Tonle Sap, the "Great Lake" of Cambodia and the largest in Asia. Here you'll see plenty of examples of the Khmer way of life on the Tonle Sap.

After lunch, then we drive to "**Les Artisans d'Angkor**". Les Artisans D'Angkor was created to help young people find work in their home villages by teaching them different types of crafts. If you would like to visit Artisans D'Angkor, then you can visit their shop near the Old Market. The shop has many types of carved handicrafts made from different materials such as stone and wood. You can also take a guided tour to discover the traditional Khmer techniques used for stone and wood carving, lacquering and gilding, as explained by experienced guides. A complete tour of the workshops will take you from raw materials to splendid craft-wares. We continue to **killing field of Wat Thmei**. Wat Thmei has a small memorial stupa containing skulls and bones of some of the Khmer Rouge's victims. Then **War museum** has tanks and other war artifacts from previous wars. Last but not least, we will stop at **Central Market** before dropping off at your hotel.
